At Sport Ecosse we're passionate about connecting fundraisers with great causes, helping you to raise as much money as possible for your charity. You can trust in our experienced, highly skilled team to make your fundraising event a success.

Our managing director, Kevin Gerrie (pictured below in red) brings more than 20 years' fundraising experience to your campaign, having worked for some of the UK's leading charities, including Marie Curie, where he managed a team that raised more than £8 million annually.

Whether you are a large, national charity or a small local cause, we'll work with you to tailor your event carefully, making sure it appeals to your supporters' interests or attracts the types of supporters you want on your database.

Short - day events

Options for day events include cycles, walks and mountain treks. We can also deliver combinations of cycling, running or trekking in urban and rural settings, over the course of a day or across a weekend. We'll look after the set up, management throughout the day and pack down, so you can focus on enjoying the event with your supporters.

The Celtic Challenge for St Columba's Hospice

In 2021, Sport Ecosse will be heading from Edinburgh to Iona once again, to give riders the opportunity to take in some of the finest cycling Scotland has to offer. This is an event we have developed and managed for ten years, raising significant funds for St Columba's Hospice.

A bespoke cycling challenge to celebrate the UCI World Championships coming to Harrogate in 2019, developed for the official fundraising partner, Leeds Cares. What our clients say about us

“Beatson Cancer Charity has worked with Sport Ecosse for many years now. The team are incredibly helpful and knowledgeable and make everything extremely easy for us, in particular for our flagship event, Off the Beatson Track. With over 2,000 participants taking on a 10k walk, Sport Ecosse deal with the logistics and route, liaise with the venue and other contacts for set up and they support our walkers throughout the day. We have never had any problems; they are a pleasure to work with and I can’t recommend them enough.”

Maisie McCormick, Community Fundraising Manager

“New Ways has been working with Sport Ecosse for 10 years and are delighted by the quality of events they have organised for us – especially the bike rides. They make it work for people of all abilities, so everyone feels part of the team and enjoys themselves while raising money for a great cause. The team are very helpful, knowledgeable and professional and provide great support and encouragement along the way. I wouldn’t hesitate to recommend Sport Ecosse to others and I am looking forward to working with them in 2021.” **Angela Docherty, Chief Executive**

“St Columba’s Hospice has been working with Sport Ecosse Events for more than ten years now. I can’t speak highly enough of Kevin and his team. They have delivered our Celtic Challenge seamlessly each year and the event would not be the same without their professionalism and positive attitude. They are also great fun to be around and are always very popular with our participants.” **Jon Heggie, Director of Fundraising**

“In 2019, Sport Ecosse supported Leeds Cares with our UCI partnership and events programme, including our flag relay challenge. The team were fantastic, not only planning the event and looking after all the logistics, but also looking after our supporters – many of whom have gone on to do further fundraising for us since. I cannot recommend Sport Ecosse highly enough to look after your event and give your supporters a really positive experience.” **Giles Fretwell, Head of Events**
